CHAPTER—I

INTRODUCTION :

During the Second Five Year Plan it was felt by the Planners that democratic society like ours requires an active and intelligent participation of workers in the affairs of their Trade Unions and of the country for its speedy socio-economic development. A strong, free, responsible and democratic Trade Union movement would make significant contribution to the realization of better life for workers. Workers should be trained to play their role effectively for the attainment of socio-economic development of the country. It was envisaged that Workers Education could help in preparing the workers and their Trade Unions to play their role effectively in the task of nation building. It necessitated the Government of India in the year 1957 to secure an expert advice in formulating "Workers Education Scheme". As such the Government of India in collaboration with the Ford Foundation had appointed an International Team of Experts to suggest 'Workers Education Scheme'. The Team of Experts had submitted its report in March, 1957. The recommendations of the Team of Experts were endorsed by the Indian Labour Conference in its 15th session held in July, 1957. The Indian Labour Conference had recommended setting up of a semi-autonomous Board for administering the Workers Education Scheme. Consequent upon the recommendation, the Central Board for Workers Education was established on 16th September, 1958 and was registered under the Societies Registration Act, XXI of 1860. The Board is tripartite in character.

Organisational Set-up :

The Board has its headquarters at Nagpur. It operates through a network of 50 Regional Directorates and 9 Sub Regional Directorates located in various parts of the country. There are six (6) Zonal Directorates at Delhi, Guwahati, Kolkata, Mumbai, Chennai and Bhopal to monitor and supervise the training activities of the Regional Directorates in their respective Zone.

The Board carries out its activities at three levels *viz.* National, Regional and Unit and conducts various training programmes. The national level programmes are conducted by the Board's Apex Training Institute called Indian Institute of Workers Education established in 1970 at Mumbai.

The primary aim of establishing the Indian Institute of Workers Education is to enable the Board to conduct national level training programmes for achieving its objectives, to develop stronger and more responsible Trade Unions, to promote the growth of democratic process in Trade Union administration, to equip labour to take its place in a democratic society, to inculcate in them 'Nation First' approach based on commonality of interests.

The Institute serves as an information centre and offers specialised training programmes for labour. It also serves as a clearing-house of information for Regional and Sub-Regional Directorates of the Board. It has a research wing for developing and perfecting methods and tools of teaching for workers. It also conducts in-house training programmes for the officials of the Board.

Board and Governing Body :

The Board is headed by a part-time non-official Chairman, who is nominated by the Government of India. Presently Shri K. Lakshma Reddy is the Chairman of the Board. The Director of the Board is Administrative Head of the Board. Ms. Namratta Tiwari was the Director of the Board during the year.

The Board comprises representatives of Central Organizations of Workers, Central Organizations of Employers, Central and State Governments and Educational Bodies. The affairs of the Board are managed by Governing Body elected from amongst the members of the Board.

At the Regional Directorate level, Regional Advisory Committees have been set up to review the progress of the scheme, to recommend measures for proper implementation of the programmes and generally to guide the work of Regional Directorates. The Regional Advisory Committees are also tripartite in nature.

Coverage :

The training programmes of the Board cater to the training needs of the workers of organized, unorganized, rural and informal sectors. Supervisory and managerial cadres are also covered through Joint Education Programmes. During the year 2014-15, 9744 programmes for organized, unorganized, rural and informal sectors were organized for 3,54,597 workers. The figures include the programmes and workers trained by the Trade Unions under the Grants-in-Aid scheme of the Board.

Evaluations :

Evaluations of the programmes of CBWE have also been done from time to time since inception of the Board. Further the Board assesses its programmes internally by way of getting feedback from the workers as well as employees' and employers' organizations and accordingly the required changes are planned and implemented.

The impact of the CBWE's training programmes in unorganized/rural sector was so encouraging that 820 Self Help Groups were formed during 2014-15 which helped in generation of self employment among the members of these Self Help Groups.

Thrust Areas :

Looking to the vast magnitude of the workers of rural, unorganized and informal sectors, the Board's thrust was on Educating Rural, Unorganized Workers in general and Tribal Labour, Child Labour and Women Workers in particular.

Special Component for North-East Region :

The Central Board for Workers Education focuses special attention to the workers of North-East region for the development of the region. This region of the country is covered by the CBWE through its four Regional Directorates situated at Guwahati, Imphal, Tinsukia and Siliguri.

Besides regular training programmes, special programmes on topics such as HIV/AIDS, Human Rights, National Integrity Panchayati Raj and Communal Harmony *etc.* are also conducted for developing awareness among different categories of workers including tea garden workers.

A Zonal Directorate to monitor exclusively the workers education activities of the North-East Region has been established by the Board at Guwahati. A special package of Rs. 2.01 crore was also sanctioned by Govt. of India to CBWE during the year under report to undertake the activities in the North-East Region.

During the year under report, the Board organized 549 programmes for 20812 workers from North-East region which includes 76 special programmes conducted for 2266 union activists.

Training of Women Workers :

In tune with the Government of India's emphasis on empowering the 'women workers' special efforts were made to have more participation of women workers in Board's various training programmes. During the year 2014-15, 265376 women participated in Board's various training programmes.

The feed-back received from the organizations where these programmes have been conducted revealed that the Joint Education Programmes have helped managements and trade unions too in a big way in developing mutual understanding, team spirit and group dynamics at work place. The demand for these courses has been constantly on increase. During the year under report 874 Joint Education Programmes were conducted for 21,851 representatives of managements and trade unions.

The Central Board for Workers Education has been conducting the programme on "Quality of Life for Workers and their Spouses" of 2-days/4-days duration since 9th five year plan with a view to mould the attitudes, to develop motivation, to build-up personality, to raise family status, to maintain good neighbourhood relations, to develop awareness about environment, cleanliness, to develop a spirit of team work, human relations, productivity consciousness, commitment to work, discipline, mutual trust, health and hygiene *etc.* of the workers and their spouses. Special Seminars for Trained Workers at Plant Level :

The workers who were trained long back are unaware about the latest developments that have taken place since the introduction of the New Economic and Industrial Policy of the Government of India.

In view of the changing scenario in the industrial field, it is imperative to keep the workers who were trained long back in the Unit Level Classes, in touch with the latest developments in the labour field to improve their functional efficiency.

The Board, therefore, started since 1997 one-day Special Seminar at Plant Level for those employees who have been trained before 1992 in the Unit Level Classes.

During the year under report, 173 such programmes were organized for 4,813 workers.

Unit Level Classes :

Trained Trainers conduct unit level classes for the rank and file of workers in their respective enterprises. The Board continued to conduct one month unit level classes on themes of Trade Unionism, Labour Economics, Industrial Relations, Social Security and Labour Welfare introduced during 1991-92. The Board also continued to conduct week-end classes during the year under report. During the year 2306 workers were trained in 86 sessions of unit level classes.

Programmes on Workers Participation in Management :

The Ministry of Labour & Employment, Government of India considered the CBWE an appropriate medium to propagate the concept of "Workers Participation in Management" and accordingly Central Board for Workers Education was entrusted with the responsibility of organizing 10 such programmes at Plant Level during the year 2014-15.

The Board has successfully conducted these programmes after identifying such establishments where Workers Participation Scheme is in operation and trained 292 representatives of workers and managements at Plant Level.

TRAINING OF WORKERS IN UNORGANISED SECTOR :

The workers engaged in Unorganized Sector and Small Scale Industries are worst exploited and are unaware about their rights and entitlements under the various laws. Since these workers are divided in small industrial units, their organizations have weak collective bargaining strength. With a view to develop awareness about their problems, difficulties and protective labour laws at work place and help them in finding solutions as well as equip them in developing their own organizations, the CBWE has been organizing four-day empowerment programmes for these workers since 1979. However, the role of the Board is mainly educational and motivational.

The workers of the unorganized and small scale sectors belong to the industries such as Handloom, Powerloom, Khadi and Rural Industries, Small Scale Industries, Industrial Estates, Handicrafts, Sericulture, Coir Industries, Beedi Industries, Glass, Brass and Slate making Industries and so on. The Board has also been conducting 2-day programmes for the workers in the unorganized sector so as to cover more number of workers as they may find it difficult to attend a four day duration programme.

During the year under report, the Board conducted 644 programmes of 2/4 days duration in which 25069 workers participated and were trained. These programmes were conducted at Regional, Sub-Regional and Semi- Urban Places by identifying the functional needs of the target group.

The category-wise break up of the workers trained in these programmes is given at Table-V.

Programmes for Workers of Weaker Sections :

The Board conducts four-day empowerment programmes for workers belonging to weaker sections who are normally head-load workers, casual workers, civic and sanitation workers, construction workers, domestic servants, handicapped workers, rickshaw pullers and others with a view to enlighten them about their rights and obligations, importance of organization, avoidance of wasteful expenditure, schemes for betterment including welfare legislations, family budget, adoption of small family norms, combating social evils *etc.*

During 2014-15, the Board conducted 142 four-(4) day empowerment programmes for 5498 workers in which the participants were educated. Each programme was formulated on the functional needs of the particular group after assessing its needs by the Education Officers. To make teaching more interesting and meaningful informal and extension methods were followed.

It is a matter of pride for CBWE that, Times of India Group and Aditya Birla social impact awards had selected this concept for its ‘**Social Impact Award**’ which was considered at national level. This concept has received nation-wide publicity. Indeed, this is the biggest achievement of CBWE Programme. It is really noteworthy to know that the “Times of India Group and Aditya Birla Social Impact Awards” had taken cognizance of the work performed by Mr. B. G. Kurwalkar and had nominated CBWE in the category of “Livelihood” for the “Social Impact Award 2014-15”. It was truly a grand and significant success that the efforts taken by Mr. Kurwalkar, E.O. was appreciated at the National Level.

CBWE’s initiative on Real Rural Bank of India (RRBI) 1st runner up in “livelihood sector” {Govt. category} one of the categories out of 5.

Final Comments on CBWE by the Jury of Times of India & Aditya Birla Social Impact Awards 2014-15 for ‘Livelihood Sector’:

In the Government category, the choice was between the Central Board for Workers Education (CBWE), which organizes women’s self-help groups in Maharashtra; Jharcraft, an organization that’s improved livelihoods of lakhs of Tribal’s by helping them produce and sell handicraft and the National Institute for Entrepreneurship and Small Business Development.

While CBWE had a slightly higher expert rating — and the intent behind its work was lauded by none other than Shri K V Kamath —the jury decided to give the award to Jharcraft. What went in its favour were the much larger scale of operations—it has trained 3.6 lakh people— and that its beneficiaries were mainly tribals from a backward region.

1. The financial statements have been prepared from the statement of receipts and Expenditure of Regional Offices clubbed with that of Head Office. However, no disclosure on the above has been made in the notes to Accounts.

4. The grant accounting policy has not been disclosed appropriately in the Notes to Accounts.
5. The Significant Accounting policies and Notes to Accounts annexed to the accounts are too brief. A more detailed and clear disclosure of Significant Accounting Policies of the Board alongwith. Director,

 Nagpur-440 033.

Separate Audit Report of the Comptroller and Auditor General of India on the Accounts of the Central Board for Workers Education (CBWE), Nagpur for the year ended 31-03-2015.

We have audited the Balance Sheet of the **Central Board for Workers Education (CBWE), Nagpur** as on 31 March 2015, the Income and Expenditure Account and Receipt and Payment Account for the year ended on that date under Section 20 (1) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and Rule 20 (ii) of the Rules and Regulations of the Board. The audit has been entrusted for the period up to 2017-18. These financial statements are the responsibility of the Board's Management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, *etc.* Audit observations on financial transactions with regard to compliance with the Law, Rules and Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, *etc.*, if any, are reported through Inspection Reports/CAG's Audit Reports separately.
3. We have conducted the audit in accordance with the generally accepted auditing standards in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.
4. Based on our audit, we report that :
 - (i) We have obtained all the information and explanation, which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (ii) The Balance Sheet, Income and Expenditure Account and Receipt and Payment Account dealt with by this report have been drawn up in the format prescribed by the Government of India Ministry of Finance.
 - (iii) In our opinion, proper books of accounts and other relevant records have been maintained by the CBWE so far as it appears from our examination of such books;
 - (iv) We further report that:

Comments on Account :

A Balance Sheet

A.1. Assets

A.1.1. Fixed Assets (Schedule 8) : Rs. 430.35 lakh

- (i) The fixed assets include Capital Work in Progress (W.I.P.) of Rs. 100.56 lakh carried forward since 2005-06 in the books of account. The work of building was completed in March 2007 at the total cost of Rs. 123.68 lakh and put to use in July, 2008. The amount of Rs. 123.68 lakh should have been booked as fixed asset in 2008-09. The Institute did not make any books adjustments & the asset was shown Capital Work in Progress Rs. 100.56 lakh and Current Assets Rs. 23.12 lakh till date. Non accounting of the same as Fixed Asset from the date, it was put to use resulted in non provision of depreciation for these assets & hence Fixed Asset are overstated by Rs. 41.40 lakh Current Assets are overstated by Rs. 23.12 lakh & Corpus is overstated by Rs. 64.52 lakh.

- (ii) As per Income Tax Act, 1961 depreciation is chargeable at full rate for assets put to use up to September & at half rate for assets put to use after September of a Financial Year. Although, the Board has adopted the rate of depreciation as per the Income Tax Act, they have charged the same at full rate irrespective of the date of capitalization of the assets purchased during the financial year. Further, computers worth Rs. 0.96 lakh purchased during the year have also been wrongly classified under the head "Office Equipments". Incorrect application of rate of depreciation & misclassification, resulted in understatement of 'Fixed Assets' and Corpus/Capital Fund by Rs. 2.10 lakh.
- (iii) As per the Significant Accounting Policy the Board has adopted the rate of depreciation as per Income Tax Act. It has however charged depreciation at the rate of 25, 10 and 25 percent on 'Office Equipments', 'Library Books' and 'Audio Visual Aids' respectively as against 15, 60 and 15 percent proposed under the Income Tax Act, Consequently, 'Fixed Assets' and 'Corpus/ Capital Fund' being overstated by Rs. 16.52 lakh.

To sum up, Fixed Assets, Current Assets and Corpus is overstated by RS. 60.02 Lakh, Rs. 23.12 Lakh and Rs. 83.14 Lakh respectively.

A.1.2. Current Assets, Loans and Advances (Schedule 11), Rs. 3711.33 lakh.

- (1) The head 'Current Assets, Loans and Advances' include Capital Advance of Rs. 846.17 lakh. Out of this an amount of Rs. 322.56 lakh was given to CPWD in batches for construction of office building at Rohini, New Delhi during 2010-11 to 2014-15 and as on 31st March 2015, the CPWD has spent Rs. 242.26 lakh on the work and Rs. 80.30 lakh was remaining as balance. Since, the expenditure of Rs. 242.26 lakh was already incurred on the work, the amount should have been shown as Capital Work in Progress (CWIP) as part of fixed assets. Non settlement of capital advance resulted in overstatement of 'Current Assets, Loans and Advances' and corresponding understatement of 'Fixed Assets' 'Capital work in progress' by Rs. 242.26 lakh.
- (2) Capital Advances of Rs. 93.64 lakh was paid to CPWD for the following purposes.
- (i) For the purchase of DG Set of Rs. 26.25 lakh on 31st March 2011. The CPWD had installed and handed over the asset to Board in September 2012 and since then it is in use.
- (ii) For the construction of compound walls of office building of CBWE Headquarters as two separate deposit works during 2012-13 and 2013-14 of Rs. 23.88 lakh and Rs. 43.51 lakh respectively. The work was completed on 31st March 2013 and 31st March 2014 at the cost of Rs. 16.64 lakh and Rs. 34.37 lakh respectively. As these works resulted in addition to the asset the same should have been capitalized. Non capitalization of the above resulted in :
1. Overstatement of Advance to Capital Account by Rs. 93.64 lakh, understatement of Claims Receivable by Rs. 16.38 lakh resulting in overstatement of Current Assets by Rs. 77.26 lakh (Rs. 93.64 lakh-Rs. 16.38 lakh).
 2. Understatement of Fixed Assets by 55.41 lakh (Current Assets Rs. 77.26 lakh Accumulated depreciation amounting to Rs. 21.85 lakh).
 3. Overstatement of Corpus to the extent of accumulated depreciation amounting to Rs. 21.85 lakh.

B. Income and Expenditure Account :**B. 1 Income from Grants/Subsidies (Schedule 13) : Rs. 5611.46 lakh.**

The Board recognized unspent plan grants of Rs. 511.17 lakh of previous year as income of current year (2014-15) after approval of Ministry of Labour and Employment, Government of India. Further, the Board had received plan grants of Rs. 1164.61 lakh, totaling to income from plan grants of Rs. 1675.78 lakh for the year 2014-15. However, the Board has recognised income from plan grants of Rs. 1661.82 lakh resulting in understatement of income and corresponding understatement of closing balance of plan grants by Rs. 13.96 lakh and to that extent the Earmarked/Endowment fund was also understated. This needs to be reconciled.

C. General :

1. As per Accounting Standard and Uniform Format of Accounts for Central Autonomous Bodies, provision for liability payable towards retirement benefits *viz.* Pension, Gratuity and Leave encashment needs to be accrued on actuarial basis and provided up to year end. The Board, however, has not made any provision for the same.
2. The Board has accounted for excess expenditure incurred under non plan grant as Grants Receivable under Current Assets amounting to Rs. 0.48 lakh. However, it has not recognized to grants under Schedule-13 (Grants & Subsidies) under Income resulting in deficit being overstated by Rs. 0.48 lakh.
3. The Board has received grant amounting to Rs. 57.63 Crore and Rs. 5.11 Crore has been adjusted from savings of previous years. However, the Board has shown receipts from grants during the year as Rs. 62.64 Crore in the Receipts and Payments Accounts. This needs to be reconciled.

D. Grants-in-Aid :

Out of the grant in aid of Rs. 62.79 Crore (Plan grant of Rs. 16.76 Crore + Non Plan Grant Rs. 46.03 Crore) received during the year including unspent plan grant of previous year of Rs. 5.11 Crore the board could utilize a sum of Rs. 57.80 Crore during the year leaving unspent balance of Rs. 4.99 Crore as on 31st March 2015. This unspent balance figure does not tally with the unspent balance in UC or with that shown under Earmarked Funds and Receipts and Payment Accounts shown the receipt of grant of Rs. 62.64 Crore. This needs to be reconciled.

E. Management Letter :

Deficiencies which have not been included in the Audit Report have been brought to the notice of the Board through a Management letter issued separately for remedial/corrective action.

- (v) Subject to our observations in the preceding paragraphs, we report that the Balance sheet, the Income and Expenditure Account and Receipt and Payment Account dealt with by this report are in agreement with the books of accounts.
- (vi) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure

to this Audit Report gives a true and fair view in conformity with accounting principles generally accepted in India :

- (a) In so far as it relates to the Balance Sheet, of the State of affairs of Central Board for Workers Education, Nagpur as at 31st March, 2015 ; and
- (b) In so far as it relate's to the Income and Expenditure Account, of the deficit for the year ended on that date.

<p>1. The financial statements have been prepared from the statement of Receipts and Expenditure of Regional Offices clubbed with that of Head Office. However, no disclosure on the above has been made in the notes to Accounts.</p>	<p>This is as per the practice followed by the Board in the previous years. However, the observation regarding disclosure will be made in the notes to Accounts in future.</p>
<p>2. Though Institute follows accrual system of Accounts, it has not provided for March Salary paid in April in the Accounts.</p>	<p>Necessary provision will be made while preparing Financial Statements for 2015-16.</p>
<p>3. The Board has treated only those Banks fixed deposits as Investments which have maturity period of more than one year and rest of the fixed deposits are treated as Current Assets. The fact should have been disclosed in Significant Accounting Policy.</p>	<p>As per the Audit observations in the earlier years the Board has treated only those Banks fixed deposits as Investments which have maturity period of more than one year and rest of the fixed deposits are treated as Current Assets. As suggested the fact will be disclosed in Significant Accounting Policy from 2015-16.</p>
<p>4. The grant accounting policy has not been disclosed appropriately in the Notes to Accounts.</p>	<p>Noted for Compliance in future.</p>
<p>5. The Significant Accounting policies and Notes to Accounts annexed to the accounts are too brief. A more detailed and clear disclosure of Significant Accounting Policies of the Board along with Notes to Accounts in concurrence with Uniform Format of Accounts may be annexed to the accounts in future.</p>	<p>Noted for Compliance in future.</p>
<p>6. It is seen that agenda notes & minutes of meeting of the BOG, Finance Committee and any others major committee (BWC etc.) of your organization which were held during the year were not endorsed to audit in spite of repeated reminders. Please ensure that the agenda notes and minutes of all such meeting are invariably forwarded to the audit in future.</p>	<p>Agenda notes & minutes of meeting of the BOG, Finance Committee and any others major committee (BWC etc.) of Board organization which were held during the year were produced to the Audit during Certification Audit. However, requirement is noted and henceforth the same will be forwarded to Audit as soon as the Minutes get approved.</p>
